Gola System

Wall Profile

Upper Profile

The Gola System can be used to produce a stylish contemporary finish,with no need for filler panels and with NO restrictions on panel or door widths (the only restrictions are the heights of Base units), giving a much sleeker look and a more modern appearance - making it perfectly suited to our extensive Made to Order Ranges .

Our Vogue *Stock Range has been specifically developed with specific Gola sizes in mind for a 'No-Fuss straight off the shelf ' solution.*
